SUMMARY

Results-driven Computer Science graduate with hands-on experience in web development and software engineering. Skilled in React.js, Laravel, Tailwind CSS, and SQL, with proven contributions to projects like Galaxy, MLMS, and OJPMS. Seeking a challenging role to build scalable, responsive systems and deliver impactful results in a collaborative environment.

TECHNICAL SKILLS

- **Frontend:** React.js, HTML, CSS, Tailwind CSS.
- **Backend:** Laravel, Filament, PHP, Java, Eloquent ORM, MySQL, PostgreSQL.
- **Tools:** Bitbucket, Composer, Postman, DBeaver, Drupal, Git.
- **Others:** Responsive Design, Unit Testing, Debugging, Performance Optimization, Dynamic Data Integration.

WORK EXPERIENCE

(PRANION TECHNOLOGY - APRIL 2024 - PRESENT)

Galaxy Project:

- Developed responsive UI with animations using React.js and integrated data with Drupal.
- Integrated Java APIs (Get/Update Quote, IFSC, UseDomainLists) across post-payment and proposal flows.

MLMS Project:

- Fixed lead movement issues in Admin CRM by implementing bulk lead selection and reassignment.
- Ensured proper logging in Movement Log and deployed cron job updates for multilingual leads (Tamil, Telugu, Malayalam).

Projects (Self-Learning & Practice)

- **Java & PostgreSQL Console Applications:** Developed multiple projects including a Library Management System, Banking System, and E-commerce Website, featuring CRUD operations and database integration. All projects are uploaded and showcased on GitHub.
- **Portfolio Website:** Built and deployed a personal portfolio showcasing projects and skills using modern frontend frameworks. Live at: [<https://murugan-developer.netlify.app/>]

EDUCATION

BSC(CS)	Ayya Nadar Janaki Ammal Collage, Sivakasi.	2022	75%
---------	--	------	-----

- **Skills:** Quick learner, Time management, Flexibility, Teamwork.
- **Certifications:** Fundamentals of digital marketing in Google digital unlock, Website designing in AJ.
- **Awards/Activities:** Got second place in debugging competition, Secretary in Nanotier Association.
